Corporate Bioterrorism Policy

AGROVIM SA is committed to protecting consumers, employees, partners, and brands contamination or disruption of food operations ("bioterrorism" or "intentional adulteration"). This policy establishes a Food Defense management system that prevents, detects, responds to, and recovers from deliberate attacks against our olive oil, table olives, dried figs and pickled products supply chain worldwide

AGROVIM SA is fully compliant with the provisions of the:

- U.S. FDA FSMA Intentional Adulteration (21 CFR Part 121) principles (as applicable to export).
- Public Health Security and Bioterrorism Preparedness and Response Act of 2002 (Bioterrorism Act), and the
- Food Safety Modernization Act (FSMA), as enforced by the U.S. Food and Drug Administration (FDA).

AGROVIM SA incorporates facility security, personnel control checks, supply chain monitoring and approval, preventive controls, traceability and recall procedures to protect its procedures and products against malicious acts and ensure public safety, as mandated by legislation like the Bioterrorism Act.

To achieve the above, **AGROVIM SA** carries out all the company's activities in compliance with the applicable laws, regulations and best practices. We regularly audit our processes and implement a certified Integral Management System, which includes the following relevant standards and codes of ethics.

- General food law and national requirements including for the Food Safety protocols of ISO 22000, ISO 22005, BRC, IFS
- Environmental management System ISO 14001
- Information Security Management System ISO 27001

The Management is committed to the implementation of the Bioterrorism Policy, to compliance with legal requirements and applicable standards, with all employees of the company sharing responsibility. In addition, the Management is responsible for the approval of the updated Corporate Ethics Policy as well as for providing all necessary resources for its implementation.

AGROVIM SA

Dimitris Gyfteas, Chairman of the Board of Directors
